

To whom it may concern,

We are a volunteer-run organisation that works year-round with local children and young people, many of whom come from underprivileged backgrounds. Our aim is to provide opportunities they may not otherwise have access to, alongside skills and qualifications that support them as they move towards adulthood.

From **22nd-25th May 2026**, we will be taking a group of young people on our annual camp — four days filled with adventure, team-building activities, and positive, confidence-building experiences. Unfortunately, not all of our members are able to afford the cost of attending.

We are therefore reaching out to local businesses to ask whether you would consider **sponsoring a child to attend the camp for £100**.

This contribution would cover:

- Transport
- Tent accommodation
- All meals
- Activities for the full four days

In recognition of your support, we would be delighted to:

- Feature your business on our **website**
- Acknowledge your support across our **social media platforms**
- Include your name in any **local media coverage** we receive in connection with the trip

Your sponsorship could make a genuine difference to a young person's life, providing them with an experience they will remember for years to come. If you are able to help, or would like any further information, please do not hesitate to get in touch. We would be very happy to discuss this with you.

Thank you for considering supporting your local children and community.

Warm regards,

Ash Robinson (Captain)
